

NOVOCASTRIAN

THE INSULATOR '0' SCONCE

A wall sconce inspired by the electrical insulators strung above Great Britain's railways. Crafted from solid, machined brass and pressed glass. All hand-finished and assembled in our UK workshop.

novocastrian.co/pp-insulator-sconce-0

Can be wired for 120v and 240v systems. Dimmable when wired to a suitable driver

Requires a GU9 bulb.

FINISH OPTIONS	LEAD TIME	SIZE
Polished brass or dark brass	Mad to order in 10 – 12 weeks	7cm (W) x 5cm (H) x 10cm (D)
All of our metal finishes are un-lacquered, and as such 'living'. They will continue to evolve beautifully over time.		WEIGHT
Custom finishes available		1.5kg

DISCLAIMER

Each one of our pieces is handmade to order in our UK workshop by highly skilled craftspeople. It is a truly unique creation. We always celebrate the natural variations inherent in the materials we use. They should not be considered flaws, but the very characteristics that define our work. Full Terms of Sale are available at our website.
