

NOVOCASTRIAN

THE INSULATOR TABLE LAMP

A pendant inspired by the electrical insulators strung above Great Britain's railways. Crafted from solid, machined brass and pressed glass. All hand-finished and assembled in our UK workshop.

novocastrian.co/pp-insulator-table-lamp

Can be wired for 120v and 240v systems. Dimmable when wired to a suitable driver. Requires a GU10 bulb.

FINISH OPTIONS

Metalwork – Polished brass or dark brass
Glass shades – Clear or frosted

All of our metal finishes are un-lacquered, and as such 'living'. They will continue to evolve beautifully over time.
